I visited Kalimashti this April. Checked accommodation facilities, they are god places and low prices. We met the mayor, but it will be election. Thinkgs might change. Also I visited all the arenas. Bulletin 1 is published. Map maker working now. The maps will be ready in October. I visited places for opening and prize giving ceremony.

Romanian organizers: we got more exact prices for accommodation.  
We are thinking to organizes Latin cup at the same time. The second bulletin will be issued at the end of September.

#### Report from Tomislav Varnica, EA for SEEOC2014

Tomislav Varnica, two months ago I visited Sebian organizers.  
I ask for approval for the group to have a sprint at the 4 plavrs.

When I was there the governor were present. We have preliminary agreements.

Since appointment of organiser government already changed a few times.  
Organizer agreed with mapmakers.

Milovan Markovic:

Presentation for SEEOC 2014 event

At the end of the meeting president of SEEOWG Zoran Milovanovic raised a question that now it is really a time to become official institution. ZM asked federations to think about it and share their opinion during next meeting in Moldova.

To be an official institution will bring official rights to us, possibility to access EU funds for Youth development and Sport.
